

Pandemic Pulse: Wave 5

Welcome to the PandemicPulse Survey

The Johns Hopkins Bloomberg School of Public Health is conducting research about how the COVID-19 pandemic has impacted people's lives. We are asking you to complete a 8-10 minute survey. Responding to this survey request is voluntary; it is your choice. If you complete and submit this survey, we will know that you consent to participate in this study. You may choose not to answer any question that we ask. Your individual responses will not be shared, but we will share grouped results. Thank you for considering participation in our study.

If you have any questions, you may contact us at covidpulse@jh.edu

We would like to ask about your interest in participating in future surveys/studies. Your answers to these questions do not mean that you are agreeing to participate in anything. We are just generally interested in whether or not you might be willing to participate in these studies.

145. Would you be **interested in participating in a longer term study** about COVID-19 where we would ask you to answer survey questions every 3 months? We would compensate you for your time.

- ☐ Yes
- ☐ No
- ☐ Don't know/Not sure

146. Would you be willing to **invite some of your close friends** to also participate in the survey? They would also be compensated for their time?

- ☐ Yes
- ☐ No
- ☐ Don't Know/Not sure

147. One of the things we would be interested in would be testing for antibodies to SARS-CoV-2. We can actually do this testing with just a few drops of your blood. We would send some materials to home and ask you to provide a few drops of blood on a card. This is typically done with a fingerprick. **Would you be willing to provide a sample of your blood** for this purpose?

☐

Yes

☐

No

☐
