

Pandemic Pulse: Wave 4

Welcome to the PandemicPulse Survey

The Johns Hopkins Bloomberg School of Public Health is conducting research about how the COVID-19 pandemic has impacted people's lives. We are asking you to complete a 5-7 minute survey. Responding to this survey request is voluntary; it is your choice. If you complete and submit this survey, we will know that you consent to participate in this study. You may choose not to answer any question that we ask. Your individual responses will not be shared, but we will share grouped results. Thank you for considering participation in our study.

If you have any questions, you may contact us at covidpulse@jh.edu
